

## Superdog Obedience Training School

Lead Instructor Tanya Mikolajczyk has personally owned and trained various breeds of dogs throughout the years. She shows her dogs competitively in obedience competition in both American Kennel Club and United Kennel Club venues. She has put 40 titles and counting on her dogs.

Tanya has taught all breeds of dogs, both mixed and pure, large and small, for 13 years. Her expertise comes from training her dogs, as well as the over 2,000 puppies and dogs that have come through her classes.

The positive and reward-based methods of training make it very easy for handlers and their dogs to learn. Tanya's enthusiasm for dog obedience training hopefully will inspire you to build a wonderful relationship with your own dog, while learning successful proven techniques of obedience training.
