### Junior Masters Program

Children ages 11 or 12 can become a "Junior Master" by successfully passing a written test and a skills test. Junior Masters are afforded full use and privileges of the Square Links Golf Course and Driving Range **without** having to be accompanied by an adult.

The Junior Masters test is offered on a scheduled basis. Players interested in taking the test must call Square Links at (815) 469-1600 to schedule a time. The test fee is \$5.00, payable at the time of the test. Players who do not successfully pass the test are welcome to take the test again until they are successful.

### Integrated Pest Management

Application of herbicides to park land is necessary to maintain and improve park properties within our district. These applications are done by qualified personnel with proper equipment and in compliance with all appropriate state and local regulations. Integrated Pest Management (I.P.M.) is employed by the Frankfort Square Park District to manage and control pests with chemical, physical, and biological methods. Components of I.P.M. include fertilization, maintaining mowing equipment, aerating, over-seeding, and chemical application of herbicides. If you would like additional information relating to I.P.M., or would like to be notified when chemical applications will be done on park property, please contact the park office at (815) 469-3524.

### Registration for Group Lessons

To register for Youth, Junior, or Teen/Adult group lessons, call or visit the golf course in early April. Spring lessons begin in mid to late April.

### Youth and Junior Group Lessons (Ages 7 - 13)

This introductory golf program features driving range instruction as well as supervised play on the course to learn golf rules, safety, and etiquette. The fundamentals of the swing (stance, alignment, grip, and posture) are introduced and practiced each week. Once they are comfortable on the driving range, participants will advance to a few holes of course play. For participants ages 11 or 12, preparation for and one opportunity to take the "Junior Masters" membership test is included in this program. Completing this class does not guarantee a passing score on the test. Please bring the following to the first class: a wood, a mid-iron (e.g. 5-iron), and a putter.

### Teen/Adult Golf Lessons (Ages 14 and older)

Bring your game up to par this spring! This program will emphasize the fundamentals of grip, stance, alignment, and swing techniques. Please bring your golf clubs to the first class.

Beside the lessons open to all teens/adults, we offer separate lessons for ladies and for couples (spouses, friends, family members age 14 and over), with a reduced price for couples.

### Private Lessons

Private lessons are available with Brian Zipse, Master Golf Teaching Professional. Brian has over 13 years experience teaching both adults and children at courses throughout Chicagoland, as well as in Florida and Myrtle Beach, S.C. Please call Brian directly at (708) 601-4364 to schedule a lesson.
