

Early Learning Center

Registration for ALL Early Learning Center classes will be held at the Frankfort Square Park District Administration Building on:

Saturday, February 4, 2012

Registration will be held by lottery PROMPTLY at the following times:

3 Year Old Classes: Registration begins at 9:00 am

4 Year Old Classes: Registration begins at 10:30 am

To Register:

A \$75 NON-REFUNDABLE registration fee is required. Participants paying the entire tuition fee at the time of registration ONLY will NOT be charged the registration fee.

There will be a \$25 withdrawal fee if you choose to withdraw your child from the Early Learning Center preschool program for ANY reason on or after September 1, 2012.

NOTE: All participants in both programs must be toilet trained and ready for the preschool setting.

Registration is open to Frankfort Square Park District residents, as well as all Summit Hill 161 School District residents. If openings are still available, out of district registration will begin on February 18, 2012. There is a 25% increase in tuition for non-residents.

Birth certificates are required at time of registration. There must be one adult per child registering.

Exception: One adult may register siblings in the same class.

3 Year Old Program

Curriculum for three year olds will emphasize language skills, socialization, and music and movement with a major emphasis on large motor skills. Through age appropriate activities, we will help your child learn to be social through cooperative methods, and develop the attitude that school is a safe and wonderful place to be.

Ages: 3 years old on or before September 1, 2012

4 Year Old Program

For the young child, learning should be fun and exciting. This is the attitude we hope to help all class participants achieve. Four year olds will enjoy a greater variety of experiences than the threes with more small motor activities like scissor usage, art, manipulatives, and cooking. Development of listening skills, as well as age-appropriate kindergarten readiness skills will be a regular component of each day as we strive to have fun learning to learn.
