

Summer Day Camp - Early Childhood - New!

The Early Childhood extension of our current Summer Day Camp Program provides a safe and exciting environment for children in or entering an early childhood program. With weekly themes and activities, children will have the opportunity to play games and complete crafts throughout the day. Children will also spend plenty of time in the sunshine – either with outside play or Splash Park sessions each day. Your children will also have a special guest each week related to the weekly theme. Led by certified teachers and trained FSPD staff, you can be sure your children will not only be well cared for, but spending time in a positive environment cultivating growth and the development of new and current skills.

Children who are registered for the morning session must bring a towel and a clearly labeled water bottle. Children attending camp all day must bring a sack lunch two towels, and a clearly labeled water bottle. A light, nutritious snack will be provided in both the morning and afternoon.
