

# Frankfort Square Park District Early Childhood Summer Camp

The Early Childhood Summer Camp program provides a safe and exciting environment for children in or entering early childhood preschool-kindergarten. With different weekly themes, activities, music, stories, games, and crafts, your children will spend their morning being active! Each day will include Splash Park time, a craft, outside play, and a snack. We will have a special guest speaker join us weekly. Guest speakers can include Pots and Paints, the Library, Fire Department, and many more. All children must be potty trained and be able to separate from their parents.
