

BAS Frankfort Square Park District

Before and After School Program

The Before and After School (BAS) program provides students of Summit Hill School District 161, in grades kindergarten through sixth, a structured, safe place to be cared for immediately before school and after school. Working parents have the assurance that their children are in a quality program in an ideal environment, knowing they are being well supervised. Our program is staffed by certified teachers, as well as other trained, experienced leaders, all employed by the park district. Hours are from 6:30 a.m. until school begins and immediately after school until 6:30 p.m., including all half days.

Transportation will be provided by existing school busses at all participating Summit Hill School District 161 schools. Transportation for before and after school activities is also offered. A light snack, both in the morning and afternoon, will be provided.

Initial registration must be completed at the Park District to ensure parents/guardians receive all necessary paperwork. Registration for the specific days may be completed by the parent/guardian, either online or at the Park District office. Each participant must be registered by Saturday at noon, two weeks prior to the week needed, to allow for staffing and roster completion.
