

PHASE 4: REVITALIZATION

WALKING PATH

GUIDELINES

The Frankfort Square Park District's paths are available for all to enjoy. Please observe the following guidelines and precautions to ensure the safety of all.

1. If you are feeling sick or exhibiting symptoms, refrain from using paths.
2. Prepare for limited access to public restrooms or water fountains.
3. Move to the outer edge of the path when encountering users coming from the opposite direction. If unable to maintain the appropriate 6 foot social distancing while passing other users, move off the path to the grassy area.
4. Face coverings are recommended.
5. Limit contact with park benches.
