

PHASE 4: REVITALIZATION

CLUBHOUSE

GUIDELINES

The Square Links Clubhouse is open to the public, and the following precautions are offered to ensure safe access.

1. If you are feeling sick or have any symptoms, do not enter.
2. Facemasks are required.
3. Hand sanitizer is available as you enter.
4. Floor decals are in place to provide required social distancing and traffic flow.
5. Patrons will enter at the front doors (south entryway) and exit at the side doors (east exit).
6. Beverages are available in bottles and cans and must be consumed outside the clubhouse.
7. There will be no congregating permitted in the clubhouse.
8. The clubhouse restroom is closed to the public. A climate-controlled outdoor restroom trailer is available for public use.
