

# Giving Tree Dedication Ceremony

Sunday, July 26, 2020 at 11:00am

Frankfort Square Park District Bandshell and Island Prairie Park in Frankfort, IL

These strong and healthy trees in this park are a living tribute to organ and tissue donors and their families who selflessly gave life's most precious gifts to others in need. May their memories live on forever ...

## The Maddog Strong Foundation is Honored to Dedicate Four Giving Trees to Organ and Tissue Donors and their Families

*This Dedication Ceremony was originally scheduled as part of the Inaugural Miles for Maddog 5K/10K Race, which was postponed until 2021; however, we encourage all families of deceased organ and tissue donors to send an email to [info@maddogstrong.org](mailto:info@maddogstrong.org) with their loved one's name (and pronunciation) as well as the year they passed and donated their gifts.*

*All submitted donor names will be read aloud during the ceremony and to join us for the event via Facebook Live on The Maddog Strong Foundation's Facebook Page.*

*If you would like to attend in person, we ask that you RSVP on our Facebook Event Page: <https://www.facebook.com/events/276400410293825/> so we can alert you to event updates. Full details and directions can be found there.*
