**Dear Frankfort Square Park District Residents:**

Since beginning my employment with the Frankfort Square Park District, I have written a resident letter with each program brochure, and this marks my 114th overview. This letter writes itself, highlighting the people the District works with, and the programs it works to provide. For the first time ever, this fall brochure is being offered online only and will be updated as we move forward, so be sure to check in at [www.fspd.org](http://www.fspd.org) on a regular basis. From a practical standpoint, this online only option allows us to add programming as it becomes available on an incremental basis.

In March, the Park District closed programming and public offerings in accordance with the best direction provided by the State of Illinois. We, like many employers, furloughed our part-time staff of 70+ individuals, and our seasonal employees did not return to normal duties this summer. The District operates with few full-time and many part-time staff to provide the services expected by our residents. We miss these staff who play an important role in meeting community expectations, and can't wait until programs and our valued staff can return.

We also miss our residents, and on July 10, began registration for our first program since the imposed shutdown, "Summer Dance Camp". This program was offered with extensive compliance protocol in place to ensure user and staff safety. We established a new tab on the Park District's website, COVID-19, to keep all current with the latest developments and best practices that are in place for all FSPD opportunities. This website tab, at [www.fspd.org](http://www.fspd.org) is updated frequently to reflect current conditions.

Temporary signs are being replaced with permanent signage to ensure awareness of best practices at our increasingly popular outdoor spaces. Some of the signs include QR codes that enable smart devices to instantly link to the Park District's website in order to learn more about specific guidelines.

Cleaning protocols for all parks and facilities have also changed to ensure a return to indoor activities is as safe as possible. All comes with added expense to create safe spaces both now, and as we move forward.

Offices, counters, and meeting rooms are being equipped with acrylic safety barriers. Hand sanitizing stations have been expanded at the golf course and will also be available at indoor spaces.

Outdoors, a few have done a lot, as our Maintenance staff have completed multiple improvements to enhance paths, open spaces, parks, maintain acreage, and complete facility adaptation and signage for user safety.

Square Links was the first to open. Our two full-time Recreation staff and two full-time Office staff got it all up and running. The "up and running" required a new online registration package, implementation of touchless service, and the frontline complaint department for those not happy about the numerous changes.

We had previously made forward progress on advancements at Square Links that included new tees, and the most exciting improvement was to the driving range that is now powered by Toptracer technology. Our full-time golf team also made this happen, completing extensive training that enabled them to train part-time staff and residents on how to enjoy this new opportunity.

The Board conducted its monthly April meeting remotely, and, as of this writing, returned to in-person meetings, held in the Administration Building's Community Room for the months of May, June, July, and August.

We fielded concerns that a delay in tax revenue could limit our ability to maintain and service our District and community. To date, that has not materialized.

We have commissioned an update to the much-used and absolutely essential FSPD website. Staff have been working with friend of the District and longtime web designer, John Staples of Visionary Webworks, to create a new user-friendly on any device opportunity. Look for this updated improvement in the near future.

We are also moving forward on our community-wide survey and master plan. There is no more critical time for strong forward planning than now. There is also no more important time for community input than now. We really need resident input to determine what will be most important to all in the coming months and year.

The Park District has many levels of support, working with all our elected officials from Villages, City, Townships, Counties, and State. We are lucky to be represented by multiple forms of government, and all have been tremendously supportive.

We work with State and National professional organizations that are dealing with identical concerns, and they have been providing us with specific information on all things related to park districts.

The FSPD is a member of the Park District Risk Management Association (PDRMA), the largest risk management group for park districts in Illinois. We also work hand in hand with LWSRA, the Lincolnway Special Recreation Association, to compare and develop practices for current and future efforts. We continue to work with local school districts, scouting groups, baseball, football, and other community organizations to enable the provision of benefits that they all provide to our community. All these groups and individuals are working in the best interest of our District, to enable services in the safest manner possible.

We're still here and have been throughout this state of emergency, and are continually available to answer any questions or concerns from our residents. Board Members are daily apprised of all actions that keeps them aware of all current and pending developments.

The Park Board meets on the third Thursday of each month at 7:30 p.m., in a socially distanced forum, and welcome residents to attend and provide input.

We are all doing our best, and working together we are keeping our community safe and providing opportunities that support our overall health, mental and physical, that make our community a nice place in which to live.

Sincerely,

Jim Randall

Executive Director

# Braemar Dance Center

In an effort to create smaller classes and give dancers an opportunity to work towards and perfect specific skills, some grade levels have been divided further into beginning, intermediate, and/or advanced. With each age and level, the difficulty and pacing of class will increase. Should any questions arise as to which level a dancer should be in, please contact Donnette at [dcannonie@fspd.org](mailto:dcannonie@fspd.org). Teachers will also evaluate dancer levels the first week of class and make individual recommendations, if needed. Refer to the Braemar Fall 2020 Quick Glance Dance Calendar on page 20.

All dance classes will be held at the Mary Drew Studios located at 20130 S. Rosewood Drive. Studios will be assigned and posted the first week of classes. Please note that when Summit Hill School District 161 closes due to the weather, dance classes will be cancelled.

### Company: Competition Team

Company class students will learn choreography and will be given possible performance opportunities, including competitions if current restrictions are lifted. This class is great for dancers looking to take their training to the next level. Enrollment for fall and winter/spring sessions is required. Company price includes the first 6 weeks of fall enrollment. Performance and costume fees are not included. At this time, all competitions are to be determined. In the event we are unable to compete, we will discuss further options. Additional fees will vary based on the CDC recommendations with Covid. Company is a full year commitment; a dancer cannot join half way through the winter spring season as practice for groups will have already begun. With guidelines changing frequently, we are only taking registration for the fall session. Winter spring fees will be in the winter spring brochure.

\*Company dancers must be enrolled in two other classes of their choice. Although ballet is highly recommended, it is not a requirement this fall.

It will include exercises to strengthen calf muscles, ankles, and arches of the feet. Exercises will begin at the barre for safety and stability. Students will progress to exercises in the center to practice their balance and increase their strength.

### Tap

This class is designed to increase rhythm, style, and sound. Exercises focus on building flexibility of the knee and ankles, coordination, and speed of movement. The class emphasis is on developing proper tap technique, producing clear tap sounds, and having fun.

**With guidelines changing frequently, fall will be split into 2 sessions at 6 weeks each instead of one session at 12 weeks.**

## Thor Guard Lightning Prediction System

The Frankfort Square Park District has a lightning prediction system that consists of sensors measuring electrostatic charges at ground level and in the atmosphere. These electrostatic charges, invisible to the naked eye, build prior to lightning occurrences. Square Links Golf Course houses the main detection system. When conditions indicate that a lightning occurrence is probable, a signal is sent to alarm horns and strobe lights located at the Community Center, Summit Hill Jr. High, Lincoln-Way North, as well as Champions, Hunter Prairie, and Union Creek Parks.

The following procedures are to be followed when potentially dangerous weather exists:

### Warning Signal

A Warning Signal (one long 15 second horn blast) will sound and strobe lights will activate when a potentially dangerous weather situation is approaching. If the strobe lights are activated, a potentially dangerous weather situation exists.

### Procedures

All activities in the park will end immediately and patrons must leave the park. It is recommended that park patrons seek shelter in their cars or a building. Patrons should avoid areas that are higher than the surrounding landscape, they should not use a tree for shelter, and they should keep away from metal objects such as bicycles, golf clubs, umbrellas, etc. All park patrons must wait until the Lightning Prediction System performs an All Clear Signal before returning to the park.

### All Clear Signal

The All Clear Signal (three short horn blasts, two seconds apart) will sound, and the strobe lights will deactivate. After the All Clear Signal sounds and the strobe lights deactivate, park patrons may resume their activities.

### Caution

The Thor Guard System helps assess the conditions. Neither the signal nor the system is intended to guarantee that conditions are safe. If the weather is threatening and no warning signal is heard or seen, use good judgment and clear the area. Do not wait for the warning signal to activate, as the system can malfunction.

**The Thor Guard Lightning Prediction System is tested on the first Tuesday of every month at 10:00 am during non-winter months.**

#### Warning of Risk and Danger

Skateboarding and in-line skating are high risk activities with inherent risks of serious injury.

The skate park area is **unsupervised** and participants and all other persons are voluntarily participating and entering at their own risk.

Skate parks are prone to flying objects and bodies. Know your abilities and skate within them. The park district is not responsible for accidents. When wet, the skating surface can be dangerous. **Enter at your own risk!**

Please review the rules posted at Union Creek Park.

#### NHL-Style In-Line Hockey Rink

Come out and play just like the pros. Shoot at the same goals, get checked into the same boards, and try to stay out of the same penalty boxes as the pros. The hockey rink, located at Union Creek Park, is open daily from 8:00 am until 10:00 pm for in-line skating and hockey.

#### Group Usage

The Union Creek Skate Park and hockey rink are provided for open use by individuals. Supervised organizations/private groups who are interested in renting facilities must register with the Frankfort Square Park District. These groups may include, but are not limited to scouts, private athletic teams, and child care/recreation agencies. Directions issued by the park district staff must be followed at all times.

## Program Policy

Due to the possibility of separation anxiety, the park district asks that parents of children who have not been in prior park district programs remain in the lobby for the first day of class.

With the child's best interest in mind, no parents or siblings are allowed in the classroom - only registered participants.

If your child is not toilet-trained, please make sure he or she has on a fresh diaper or pull-up. If your child is at risk to need an immediate diaper change, you should plan on remaining on the premises, or be immediately reachable by phone. Our instructors are not in the position to change soiled diapers or training pants.

As we are unable to offer refunds or credits for the Tiny Tot programs and Early Childhood Camp, parents are asked to be confident their child is ready for this program. A child is ready when he/she is willing to enter/stay in the classroom without crying. With the child's best interest in mind, **no** parents are allowed in the classroom. The park district will try to accommodate your child in a parent-tot program if deemed necessary.

## Birth Certificate Policy

Birth certificates are required at the first registration for children 5 years and younger to validate age requirement for all programs. We do not retain copies of birth certificates.

## Cancellations

The staff reserves the right to consolidate, postpone, reschedule, or cancel any program due to change in day, dates, times, instructor, or insufficient enrollment.

## For Your Safety

Please drop-off and pick-up your children promptly upon arrival or dismissal of class.

1.34 Miles

Union Creek parking lot to 80th Avenue, west through Brookside Glen subdivision

0.90 Miles

80th Avenue to Ridgefield

### Frankfort Square Park District Trail

The park district's 1.9 mile trail connects Island Prairie, Indian Boundary South, Kingston, and Hoffman parks.

Path users can access the trail beginning at Arran Drive, directly south of the Frankfort Square Park District Administration Building, and wind through the large 35 acre wet-mesic prairie, offering spectacular views of the lake. Continue on to Indian Boundary South and pause by the wildlife viewing stations, an Eagle Scout project constructed by Boy Scout Troop 237. Stop for a picnic at Kingston or Hoffman Parks as the kids enjoy playing on state-of-the-art playground equipment. As you traverse the path, you will spot native Illinois plantings and wildlife habitats in the prairies and along the waters' edge. Whether walking, biking, or roller blading, the path is sure to offer a great way to exercise while enjoying the pristine parks along the way.

### Trail Rules

Trails are open from dawn to dusk. Motorized vehicles are not allowed on any park district or township trails. Pets must be leashed and pet cleanup is required.

### Frankfort Township Trail

The 2.1 mile township trail begins at Frankfort Square School then heads south to St. Francis. There it continues west to 80th Avenue where it turns north to Hilda Walker School.

In a cooperative effort with the Frankfort Square Park District, the Frankfort Township trail serves as a vital link in a planned bike path system. Residents can begin at Indian Boundary South Park and Frankfort Square School, proceed south along Frankfort Square Road to Community Park for an afternoon of fishing, tennis, or picnicking. Travel west along St. Francis Road, adjacent to the park district's Square Links Golf Course and Driving Range. Continue west to 80th Avenue and travel north to Hilda Walker School and Union Creek Park. The parks connected by the Frankfort Township trail offer a wide variety of recreational amenities such as playgrounds, sports fields, picnic shelters, golf, wildlife observation, and skating rinks.

### Brookside Glen Subdivision

The Brookside Glen 5.5 mile path system, installed by developers of Brookside Glen, is maintained by the Frankfort Square Park District.

This path winds throughout the Brookside Glen subdivision offering a tremendous benefit to residents. The trail system provides a healthy alternative to motorized transportation, enabling a positive impact upon the environment. Children can safely walk or bike to school, and path users have increased enjoyment of the native areas and ponds located throughout the subdivision.

### Lighthouse Pointe Subdivision

Developers of Lighthouse Pointe included a 2 mile path in the planning of this subdivision. The path system was transferred to the Frankfort Square Park District and is under perpetual maintenance year round.

Enter the path system at various points throughout the subdivision and follow this winding trail as it gently slopes creek-side from prairies to wooded wetland, to the future park site. Sights such as the wooded Hickory Creek, native Illinois landscapes, and a proliferation of wildlife in their natural habitats add to the unique experience hikers and bikers can enjoy along the way.
