

PHASE 4: REVITALIZATION

GOLF

GUIDELINES

With the precautions outlined below, Square Links Golf Course & Driving Range is open.

1. Any players with any symptoms of COVID-19 should not play.
2. In addition, any players from a household with someone that has symptoms of COVID-19 should not play.
3. Players and employees should maintain social distance (at least 6 feet) on practice areas, tees, greens, putting course, and throughout the course.
4. Players should handle their own balls.
5. Players should leave the flag in place while putting.
6. Bring hand sanitizer with you and use during and at the end of play.
7. Players should bring their own supply of balls, tees, ball markers, and any other equipment needed.
8. Players should bring their own source of water.
9. No handshakes at the beginning or end of rounds.
