My Final Note as the Executive Director:

I don't know why it happens, but after announcing my retirement, everything turned into a number. I've got 82 days left as I'm typing my 117th Note from the Executive Director since first arriving from college in Iowa in 1983.

I'll have been employed for 39 years in April, and that's over 14,235 days. I'll have attended over 468 Board Meetings. I've worked with fifty-three different Board Members and thousands of staff over my tenure, and tens of thousands of residents.

I've lived in the Square, of which I'll continue to do for the immediate future, in the same house for 34 years. It's been great.

The last two years have been the most difficult. It is unimaginable what we've been through, the changes that have occurred, and the people that we've lost.

I'm excited about the future. Audrey Marcquenski is super smart and qualified, and will offer her own, yes younger, perspective on the District. Her fire and competitive nature, coupled with her knowledge of all things Frankfort Square that she's learned in her career, and specifically her 23 years with this District, will serve her well. I can't wait to see what's next.

She's shoulder to shoulder with the best staff ever, whom I've thoroughly enjoyed working with and watching develop.

The Board continues to be led by Ken Blackburn who has the most experience over his 33 years of volunteer service on the Park Board, comprising the longest tenure as both Commissioner and Board President of anyone serving the District. This goes along with the six other current Commissioners, donating their time and talents without compensation, just to make our community a nice place to live.

I pass along my Rolodex, yes, I still have one, but more importantly, my cell phone that is full of residents, elected officials, contractors and others that make things happen in Frankfort Square and gets

things done anytime, any day, literally 24 hours a day, 365 days a year.

It seems like just yesterday that I was making the trip from Waverly Iowa, home of my alma mater, Wartburg College, to begin my employment with the Frankfort Square Park District. I met my wife of 36 years this June at Champions Park. I attended and coached my kids in all kinds of sports. They both graduated from Lincoln-Way Community High Schools, my youngest from Lincoln-Way North.

I've seen the growth in all aspects of our community. Straightening the S-curve on St. Francis Road, the expansion of Route 30, and soon to come, the extension of Pfeiffer Road, connecting our park paths directly to Old Plank Road Trail.

The Park District has expanded tenfold in all areas since 1983, and we've been nationally recognized for these efforts. We've passed and paid off referenda that built our District. We've received millions of dollars in grants that made tax dollars go farther, and we've asked and received input from the residents we serve through community-wide surveys.

The old saying of do what you love and you'll never work a day in your life, is a completely accurate reflection of my career in Frankfort Square, not because of the things, but because of the people. The people that surrounded, supported, and participated in my career and life.

"Don't let the sun go down without saying thank you to someone, and without admitting to yourself that absolutely no one gets this far alone." - Stephen King

I wish everyone well and extend my sincere appreciation and thanks for a great career in a great community, with most importantly, great people. There are wonderful things to come, and I can't wait to see what's next!

The park district is committed to safety, good sportsmanship, and cooperation with our golfers and residents, and has developed the following guidelines to minimize errant shots and to assist injured parties in identifying the golfer responsible for hitting the errant shot.

Golfers are expected to exercise the highest degree of sportsmanship, etiquette, caution, and consideration of others – refraining from horseplay, carelessness, and reckless or offensive behavior. Golfers are responsible for their own conduct and play, including errant shots that may result in property damage or personal injuries.

In the event of property damage or personal injury, Square Links employees will assist the damaged property owner or injured party in trying to identify the golfer who struck the shot. However, the property owner or injured party cannot be disruptive or discourteous to facility patrons or staff.

Square Links Golf Course and Frankfort Square Park District staff are not responsible for identifying the golfer who hit the errant ball, or for ensuring that the parties will exchange contact and/or insurance information when the responsible golfer is identified. When the responsible golfer is known, Square Links staff will attempt to facilitate polite interaction and cooperation between the responsible golfer and injured party.

F.A.N. for All

The Frankfort Square Park District has received many requests for usage from a variety of community, private non-profit, and for profit organizations. At this time, exclusive use of the Lincoln-Way North field house, gymnasiums, and athletic fields, is not available. The purpose of F.A.N. is not to host tournaments or special events, no matter what revenue the event may generate.

Providing space for these events would limit resident access and usage for F.A.N. members and local groups and organizations that schedule practices and games.

Secondly, F.A.N. and the North campus cannot accommodate every group and organization at all the facilities and fields for the Lincoln-Way area. Local high schools, East, Central, and West are still available for resident usage, and should be considered as able to meet group and/or organization needs.

Lincoln-Way North facility usage request forms are available on the FSPD website under the Parks & Facilities tab.

College Student Summer Break Pass

This is designed for students home for the summer that want an affordable way to stay active. Passes will be available for purchase at the park district office. Passes are valid May 1-August 31.

Thor Guard Lightning Prediction System

The Frankfort Square Park District has a lightning prediction system that consists of sensors measuring electrostatic charges at ground level and in the atmosphere. These electrostatic charges, invisible to the naked eye, build prior to lightning occurrences. Square Links Golf Course houses the main detection system. When conditions indicate that a lightning occurrence is probable, a signal is sent to alarm horns and strobe lights located at the Community Center, Summit Hill Jr. High, Lincoln-Way North, as well as Champions, Hunter Prairie, and Union Creek Parks.

The following procedures are to be followed when potentially dangerous weather exists:

Warning Signal

A Warning Signal (one long 15 second horn blast) will sound and strobe lights will activate when a potentially dangerous weather situation is approaching. If the strobe lights are activated, a potentially dangerous weather situation exists.

Procedures

All activities in the park will end immediately and patrons must leave the park. It is recommended that park patrons seek shelter in their cars or a building. Patrons should avoid areas that are higher than the surrounding landscape, they should not use a tree for shelter, and they should keep away from metal objects such as bicycles, golf clubs, umbrellas, etc. All park patrons must wait until the Lightning Prediction System performs an All Clear Signal before returning to the park.

All Clear Signal

The All Clear Signal (three short horn blasts, two seconds apart) will sound, and the strobe lights will deactivate. After the All Clear Signal sounds and the strobe lights deactivate, park patrons may resume their activities.

Caution

The Thor Guard System helps assess the conditions. Neither the signal nor the system is intended to guarantee that conditions are safe. If the weather is threatening and no warning signal is heard or seen, use good judgment and clear the area. Do not wait for the warning signal to activate, as the system can malfunction.

The Thor Guard Lightning Prediction System is tested on the first Tuesday of every month at 10:00 am during non-winter months.

AED - Automated External Defibrillators

The Frankfort Square Park District has purchased and placed into service numerous automated external defibrillators (AED's). These AED's are located at the Community Center, Square Links Golf Course, Champions Park concession stand, and both Union Creek concession stands. Program Policy

Due to the possibility of separation anxiety, the park district asks that parents of children who have not been in prior park district programs remain in the lobby for the first day of class.

With the child's best interest in mind, no parents or siblings are allowed in the classroom - only registered participants.

If your child is not toilet-trained, please make sure he or she has on a fresh diaper or pull-up. If your child is at risk to need an immediate diaper change, you should plan on remaining on the premises, or be immediately reachable by phone. Our instructors are not in the position to change soiled diapers or training pants.

As we are unable to offer refunds or credits for the Tiny Tot programs and Early Childhood Camp, parents are asked to be confident their child is ready for this program. A child is ready when he/she is willing to enter/stay in the classroom without crying. With the child's best interest in mind, **no** parents are allowed in the classroom. The park district will try to accommodate your child in a parent-tot program if deemed necessary.

Birth Certificate Policy

Birth certificates are required at the first registration for children 5 years and younger to validate age requirement for all programs. We do not retain copies of birth certificates.

Cancellations

The staff reserves the right to consolidate, postpone, re-schedule, or cancel any program due to change in day, dates, times, instructor, or insufficient enrollment.

For Your Safety

Please drop-off and pick-up your children promptly upon arrival or dismissal of class.

Preschool-age children enrolled in park district programs are not released from a class to anyone other than a parent or guardian, unless advance written notification is given to the instructor.

Age Limitations and Why

In order to provide your child with the best possible recreational and/or learning experience, all of our programs are planned according to the ages listed in our brochure. Our instructors are sensitive to the needs of the individual age levels. Children must be the age listed in the brochure for each program by the date the program begins, unless otherwise specified.

Frankfort Square Park District Trail

The park district's 1.9 mile trail connects Island Prairie, Indian Boundary South, Kingston, and Hoffman parks.

Path users can access the trail beginning at Arran Drive, directly south of the Frankfort Square Park District Administration Building, and wind through the large 35 acre wet-mesic prairie, offering spectacular views of the lake. Continue on to Indian Boundary South and pause by the wildlife viewing stations, an Eagle Scout project constructed by Boy Scout Troop 237. Stop for a picnic at Kingston or Hoffman Parks as the kids enjoy playing on state-of-the-art playground equipment. As you traverse the path, you will spot native Illinois plantings and wildlife habitats in the prairies and along the waters' edge. Whether walking, biking, or roller blading, the path is sure to offer a great way to exercise while enjoying the pristine parks along the way.

Trail Rules

Trails are open from dawn to dusk. Motorized vehicles are not allowed on any park district or township trails. Pets must be leashed and pet cleanup is required.

Frankfort Township Trail

The 2.1 mile township trail begins at Frankfort Square School then heads south to St. Francis. There it continues west to 80th Avenue where it turns north to Hilda Walker School.

In a cooperative effort with the Frankfort Square Park District, the Frankfort Township trail serves as a vital link in a planned bike path system. Residents can begin at Indian Boundary South Park and Frankfort Square School, proceed south along Frankfort Square Road to Community Park for an afternoon of fishing, tennis, or picnicking. Travel west along St. Francis Road, adjacent to the park district's Square Links Golf Course and Driving Range. Continue west to 80th Avenue and travel north to Hilda Walker School and Union Creek Park. The parks connected by the Frankfort Township trail offer a wide variety of recreational amenities such as playgrounds, sports fields, picnic shelters, golf, wildlife observation, and skating rinks.

Brookside Glen Subdivision

The Brookside Glen 5.5 mile path system, installed by developers of Brookside Glen, is maintained by the Frankfort Square Park District.

This path winds throughout the Brookside Glen subdivision offering a tremendous benefit to residents. The trail system provides a healthy alternative to motorized transportation, enabling a positive impact upon the environment. Children can safely walk or bike to school, and path users have increased enjoyment of the native areas and ponds located throughout the subdivision.

Lighthouse Pointe Subdivision

Developers of Lighthouse Pointe included a 2 mile path in the planning of this subdivision. The path system was transferred to the Frankfort Square Park District and is under perpetual maintenance year round.

Enter the path system at various points throughout the subdivision and follow this winding trail as it gently slopes creek-side from prairies to wooded wetland, to the future park site. Sights such as the wooded Hickory Creek, native Illinois landscapes, and a proliferation of wildlife in their natural habitats add to the unique experience hikers and bikers can enjoy along the way.
