

Before and After School

The Before and After School (BAS) program provides students of Summit Hill School District 161, in grades kindergarten through sixth, a structured, safe place to be cared for immediately before and after school. Working parents have the assurance that their children are in a quality program in an ideal environment, knowing they are being well supervised. Our program is staffed by trained, experienced leaders, all employed by the park district. Hours are from 6:30am until school begins and immediately after school until 6:30pm, including half days.
