The mulch is available in the parking lot of the ballfields on St. Francis Road, located adjacent to Kiwanis Park.

- Mulch is provided in “as-is condition” with no warranty or implied.
- No dumping of any material is permitted.
- No landscape contractors, front loaders, or dump trucks permitted.

Free home delivery is offered by the Frankfort Township Road District by simply calling (708) 479-9673.

Dear Frankfort Square Park District Residents:

I am fortunate to be surrounded by people who do wonderful things every day. That's been happening for decades as residents built this community and continue to strive to make it better and better. These efforts are happening daily in homes, businesses, schools, and agencies like the Park District, which I am happy to focus on today.

At the Frankfort Square Park District, we are grateful for the support and efforts of the residents who make this a great community in which to live and work. Through the election process, residents choose talented individuals to lead the Park District. This year's Consolidated Election has brought the reelection of Craig Maksymiak to the Park Board. His financial expertise and balanced decision-making have allowed the Park District to expand offerings and opportunities while remaining fiscally responsible.

Congratulations to Phil Cherry who stepped up last May and was appointed to fill a vacancy on the Board and was then elected this April. Phil has been a life-long resident of Frankfort Square, worked seasonally for the FSPD, and is now proud to raise his young family in the Square.

We also welcome and congratulate Ryan Holley on his election to the Park Board of Commissioners and look forward to his fresh ideas.

Our seven Board Members donate their time and talents in support of their neighbors and the community in which they live. Thank you all!

Many thanks to Joe Vlosak for his ten years of service on the Park Board. Joe is stepping down from the Park Board in May after initially being appointed to the Board to fill an unexpired term, following the resignation of former Commissioner Jeff Roach, and then was elected in 2015 and again in 2019. Over the years, Joe has been instrumental in the growth of the District that included, but was not limited to:

- National Gold Medal Grand Plaque Award in 2016
- Completion of two Community-Wide Surveys and Internal Equity Salary Study and Wellness Assessment.
- Approval of the 2018 \$1.4 million "No Tax Increase Mini Referendum that provided capital improvements and repairs throughout the District.
- Awarding of \$86,000 College Scholarships to 86 high school students from 2014 to 2022.
- Received over \$216,000 in grant dollars for the Island Prairie Park Boardwalk Extension, Community Park Redevelopment, and tree replacement throughout the District.

In addition to his Board service, Joe has always been ready to step up when needed to support the residents of this community by volunteering his time with many school and youth organizations.

On the staff side of the FSPD team, we welcomed Marlon Medina this past December as the new Assistant Superin-

tendent of Parks. He brings years of experience with daily park maintenance and new ideas.

Many thanks to Al Grzyb for sharing his leadership and knowledge as Assistant Superintendent of Parks. We will miss you and wish you the best of luck as you write your next chapter!

We welcome Jodi Dilling to the FSPD team! She brings years of experience offering fun trips and programs for active adults and her first program marks the Park District's very first international offering with a trip to Niagara Falls. Please see page 16 of this brochure for all the details, including the World's second largest Oktoberfest.

Recently, we welcomed Richard Schereck, who will be leading athletic programming for children 4-8 that includes Pee Wee Sports Mix, Little Bulls, and a new Basketball Shooting & Trick Shot Camp this summer.

Local artist Jamie Maisuria joins the FSPD team and is offering a Neighborhood Studio program designed to develop and inspire children's creative minds.

As part of the Summer Concert Series, the Island Prairie Park Bandshell showcases many local performers, including the Lincoln-Way Youth Strings and Dixie Bandits among many other community favorites over the years. This summer, we add a new duo – John Falsey, who splits his time between the FSPD recreation and maintenance departments, and Dave Gorka, our favorite IT Contractor, the Dueling Dudes! Please join us on July 20 for a fun and entertaining evening.

This provides a small snapshot of our staff and volunteer Board Members, but I would also like to recognize our Park District's most important asset...our residents, without whom the FSPD would not exist. Thank you for all your support over the years, whether through program attendance, use of our many wonderful facilities that are supported by your tax dollars, and our community groups, such as the Scouts, FSBL, and Frankfort Square Wildcats that provide additional opportunities.

Please be sure to take advantage of all your Park District has to offer, especially during the summer months. Nothing makes us happier than to see folks enjoying their parks, trails, community gardens, Splash Park, Skate Park, Dog Park, and summer concerts, all of which are free to you, our residents.

If you have any suggestions to improve our service, please stop by our office, send us an email, or attend our monthly Board Meetings that are held on the third Thursday of each month.

Have a happy and safe summer!

F.A.N. for All

The Frankfort Square Park District has received many requests for usage from a variety of community, private non-profit, and for-profit organizations. At this time, exclusive use of the Lincoln-Way North field house, gymnasiums, and athletic fields, is not available. The purpose of F.A.N. is not to host tournaments or special events, no matter what revenue the event may generate.

Providing space for these events would limit resident access and usage for F.A.N. members and local groups and organizations that schedule practices and games.

Secondly, F.A.N. and the North campus cannot accommodate every group and organization at all the facilities and fields for the Lincoln-Way area. Local high schools, East, Central, and West are still available for resident usage, and should be considered as able to meet group and/or organization needs.

Lincoln-Way North facility usage request forms are available on the FSPD website under the Parks & Facilities tab.

Errant Golf Ball Policy

Kindly understand that Square Links Golf Course and the Frankfort Square Park District are not responsible or liable for property damage or personal injuries arising from errant golf balls. The park district is committed to safety, good sportsmanship, and cooperation with our golfers and residents, and has developed the following guidelines to minimize errant shots and to assist injured parties in identifying the golfer responsible for hitting the errant shot.

- Golfers are expected to exercise the highest degree of sportsmanship, etiquette, caution, and consideration of others-refraining from horseplay, carelessness, and reckless or offensive behavior. Golfers are responsible for their own conduct and play, including errant shots that may result in property damage or personal injuries.
- In the event of property damage or personal injury, Square Links employees will assist the damaged property owner or injured party in trying to identify the golfer who struck the shot. However, the property owner or injured party cannot be disruptive or discourteous to facility patrons or staff.
- Square Links Golf Course and Frankfort Square Park District staff are not responsible for identifying the golfer who hit the errant ball, or for ensuring that the parties will exchange contact and/or insurance information when the responsible golfer is identified. When the responsible golfer is known, Square Links staff will attempt to facilitate polite interaction and cooperation between the responsible golfer and injured party.

Thor Guard Lightning Prediction System

The Frankfort Square Park District has a lightning prediction system that consists of sensors measuring electrostatic charges at ground level and in the atmosphere. These electrostatic charges, invisible to the naked eye, build prior to lightning occurrences. Square Links Golf Course houses the main detection system. When conditions indicate that a lightning occurrence is probable, a signal is sent to alarm horns and strobe lights located at the Community Center, Summit Hill Jr. High, Lincoln-Way North, as well as Champions, Hunter Prairie, and Union Creek Parks.

The following procedures are to be followed when potentially dangerous weather exists:

Warning Signal

A Warning Signal (one long 15 second horn blast) will sound and strobe lights will activate when a potentially dangerous weather situation is approaching. If the strobe lights are activated, a potentially dangerous weather situation exists.

Procedures

All activities in the park will end immediately and patrons must leave the park. It is recommended that park patrons seek shelter in their cars or a building. Patrons should avoid areas that are higher than the surrounding landscape, they should not use a tree for shelter, and they should keep away from metal objects such as bicycles, golf clubs, umbrellas, etc. All park patrons must wait until the Lightning Prediction System performs an All-Clear Signal before returning to the park.

All-Clear Signal

The All-Clear Signal (three short horn blasts, two seconds apart) will sound, and the strobe lights will deactivate. After the All-Clear Signal sounds and the strobe lights deactivate, park patrons may resume their activities.

Caution

The Thor Guard System helps assess the conditions. Neither the signal nor the system is intended to guarantee that conditions are safe. If the weather is threatening and no warning signal is heard or seen, use good judgment and clear the area. Do not wait for the warning signal to activate, as the system can malfunction.

The Thor Guard Lightning Prediction System is tested on the first Tuesday of every month at 10:00 am during non-winter months.

AED - Automated External Defibrillators

The Frankfort Square Park District has purchased and placed into service numerous automated external defibrillators (AED's). These AED's are located at the Community Center, Square Links Golf Course, Champions Park concession stand, and both Union Creek concession stands. In addition, Summit Hill School District 161 and Lincoln-Way Community High School District 210 have AED's located at all school facilities utilized by the park district for programming.

With the child's best interest in mind, no parents or siblings are allowed in the classroom - only registered participants.

If your child is not toilet-trained, please make sure he or she has on a fresh diaper or pull-up. If your child is at risk to need an immediate diaper change, you should plan on remaining on the premises, or be immediately reachable by phone. Our instructors are not in the position to change soiled diapers or training pants.

As we are unable to offer refunds or credits for the Tiny Tot programs and Early Childhood Camp, parents are asked to be confident their child is ready for this program. A child is ready when he/she is willing to enter/stay in the classroom without crying. With the child's best interest in mind, **no** parents are allowed in the classroom. The park district will

try to accommodate your child in a parent-tot program if deemed necessary.

Birth certificates are required at the first registration for children 5 years and younger to validate age requirement for all programs. We do not retain copies of birth certificates.

The staff reserves the right to consolidate, postpone, re-schedule, or cancel any program due to change in day, dates, times, instructor, or insufficient enrollment.

Frankfort Square Park District Trail

The park district's 1.9 mile trail connects Island Prairie, Indian Boundary South, Kingston, and Hoffman parks.

Path users can access the trail beginning at Arran Drive, directly south of the Frankfort Square Park District Administration Building, and wind through the large 35 acre wet-mesic prairie, offering spectacular views of the lake. Continue on to Indian Boundary South and pause by the wildlife viewing stations, an Eagle Scout project constructed by Boy Scout Troop 237. Stop for a picnic at Kingston or Hoffman Parks as the kids enjoy playing on state-of-the-art playground equipment. As you traverse the path, you will spot native Illinois plantings and wildlife habitats in the prairies and along the waters' edge. Whether walking, biking, or roller blading, the path is sure to offer a great way to exercise while enjoying the pristine parks along the way.

Trail Rules

Trails are open from dawn to dusk. Motorized vehicles are not allowed on any park district or township trails. Pets must be leashed and pet cleanup is required.

Frankfort Township Trail

The 2.1 mile township trail begins at Frankfort Square School then heads south to St. Francis. There it continues west to 80th Avenue where it turns north to Hilda Walker School.

In a cooperative effort with the Frankfort Square Park District, the Frankfort Township trail serves as a vital link in a planned bike path system. Residents can begin at Indian Boundary South Park and Frankfort Square School, proceed south along Frankfort Square Road to Community Park for an afternoon of fishing, tennis, or picnicking. Travel west along St. Francis Road, adjacent to the park district's Square Links Golf Course and Driving Range. Continue west to 80th Avenue and travel north to Hilda Walker School and Union Creek Park. The parks connected by the Frankfort Township trail offer a wide variety of recreational amenities such as playgrounds, sports fields, picnic shelters, golf, wildlife observation, and skating rinks.

Brookside Glen Subdivision

The Brookside Glen 5.5 mile path system, installed by developers of Brookside Glen, is maintained by the Frankfort Square Park District.

This path winds throughout the Brookside Glen subdivision offering a tremendous benefit to residents. The trail system provides a healthy alternative to motorized transportation, enabling a positive impact upon the environment. Children can safely walk or bike to school, and path users have increased enjoyment of the native areas and ponds located throughout the subdivision.

Lighthouse Pointe Subdivision

Developers of Lighthouse Pointe included a 2 mile path in the planning of this subdivision. The path system was transferred to the Frankfort Square Park District and is under perpetual maintenance year round.

Enter the path system at various points throughout the subdivision and follow this winding trail as it gently slopes creek-side from prairies to wooded wetland, to the future park site. Sights such as the wooded Hickory Creek, native Illinois landscapes, and a proliferation of wildlife in their natural habitats add to the unique experience hikers and bikers can enjoy along the way.
