

BAS registration information for the 2023-2024 school year

You will not be able to sign up for BAS online until you submit all appropriate paperwork.

If your child attended summer camp, you would not need to fill out paperwork again. You may stop by the office to approve your child's profile report and review all information to be correct. Or you may call, and we can email you the profile report to approve via email.

All children will then have a BAS pass on their account for the school year to grant them access to register online. You will receive an email once this pass is put on your account.
