

Frankfort Square Park District: Field Trip Guidelines

I give my child permission to attend all field trips taking place while they are in the Summer Day Camp Program or BAS Program.

The Frankfort Square Park District uses Lincoln-Way Transportation for bus services.

Campers must wear their Day Camp or Escapade t-shirts on field trip days. Field trips listed on the calendar may be subject to change. There are no rain dates or trip make up days in the event of inclement weather.

There are no alternative day care options that will take place on field trip days.

If my child is brought to Summer Day Camp or an Escapade after a field trip has departed, I am responsible for bringing my child to the field trip location and signing them in with the staff if I still wish for them to attend that day.

Swimming Guidelines

Please send your child to camp with a bathing suit every day, as water activities may take place at camp even on non-swimming days.

Send your child with sunscreen and a towel each day. Personal items should be marked with your child's name and sent in a bag for them to carry.

A concession stand is available at the Palos Heights Pool, Lemont Centennial Pool, and Tinley Park White Water Canyon. Concessions are **not** included in the camp price; campers are allowed to bring their own money to purchase items. The first 30 minutes of each pool day we open it up to optional concessions. Frankfort Square Park District is not responsible for money brought to purchase optional concessions.

Campers will not be allowed to stay at the pool after camp hours.

Swim tests will be completed at each pool for swimmers interested in swimming in the deep end, using diving boards, or slides. Those that pass the test will be given a wristband to wear. The wristbands will help counselors identify where the campers are able to swim. Swimming tests will be completed at all pools we are scheduled to attend.
